LOYALTY SCHEME

once you reach purchase history of 80 pairs per year, you keep the best unit price for next purchases (see example)

Example

Up to the date of new order you have purchased 80 pairs already (within a year).

The eighty-first pair costs you 10,60 EUR (A price), even if you are buying just 1 pair.

Your purchase history is re-set after 1 year from your first order or when new pricelist is issued.
